Morikami Park Elementary PTA
Adopt-A-Class Program 2011-2012

Dear Parents,

We hope you had a wonderful summer! The Morikami Park Elementary PTA is proud to invite you to Adopt-A-Class, Grade, and/or School in 2011-2012.

Morikami's Adopt-A-Class program was created to offer additional financial support directly to teachers and departments. The funds from this program will be used to enhance classroom opportunities as well as create new ones. Teachers will be able to purchase books, art supplies, musical instruments, and many more educational resources. Each year, the learning and growth of our students is enhanced by the generosity of our families and local businesses.

You may donate to as many teachers and departments as you wish. Your generosity will provide extra financial resources directly to the recipient.

We are seeking donors, both business and individual, to adopt a classroom or fine art for **\$150**. This money goes directly to the adopted faculty member. The business or family name will be recognized in our PTA newsletter. In addition, a banner with the names of all donors will be displayed in the school lobby.

In an effort to maintain equality among ALL of our classrooms, MPES administration and the PTA support the Adopt-A-Class program goal to have EACH faculty member adopted. Please keep in mind that ALL of our teachers are integral parts of Morikami Park Elementary School and need support.

In addition, donors can adopt a grade or the school. For **\$500**, you can Adopt-A-Grade which will supply the teachers in a grade with ink and toner for the year. For **\$1,000**, you can Adopt-A-School. Adopt-A-School donations will be used by our principal, Ms. Quinones, to purchase golden globe awards, golden pencil awards, and other student incentives.

Many businesses will match an employee's donation, so please ask your employer about becoming involved in this important program.

Don't forget, you are welcome to adopt more than one classroom or grade!

We gratefully recognize those who participate in the Adopt-A-Class program on the Morikami Park Elementary PTA website, in the PTA newsletter, and on a banner in the school lobby. The PTA will notify the teacher and/or department of their adoption and available funds.

All donations are tax-deductible.

Your generosity is greatly appreciated!

Morikami Park Elementary PTA
