

BIRTHDAY BOOK CLUB

Dear Parents,

The Morikami Park Elementary PTA is proud to sponsor The Birthday Book Club. The Birthday Book Club is a program that allows you to donate a book to your child's classroom in honor of his or her birthday. By donating books, you will be increasing the quality and quantity of the classroom library. These books become a permanent part of the classroom and are available for all classmates to enjoy.

If you decide to participate in the Birthday Book Club, please contact your teacher directly for a wish list and book donation suggestions. Please send your book(s), along with the enclosed completed form to Mrs. Brant or Mrs. Rhein in our media center. The form lets us know the books you are donating, your child's birthday, and how you would like your child's name inscribed on the bookplate that is placed inside the cover of every book.

To acknowledge your gift, your child will have the opportunity to appear on the morning television announcements to present their books. They will also receive a special bookmark. Once the books are processed, a notice will be sent home to inform you of your child's upcoming appearance. On the morning of your child's Birthday Book Club appearance, you are invited to view the morning news broadcast in the Media Center!

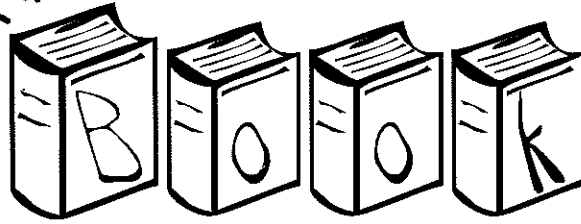

The Morikami Park Elementary PTA encourages you to participate in this wonderful and worthwhile program. The love of books and reading is the best gift we can give our children. Please know that this program is strictly voluntary. If you have any questions, please contact Mrs. Brant or Mrs. Rhein at 865-3960.

Thank you for your generous support.

Sincerely,

Jamie Monaco
