Room Parent Contacts

Room parents serve an important function as part of our school volunteer program. They act as a liason between the classroom teacher and the parents. Room parents work with a team of parents to assist the teacher with classroom projects that include the coordination of class parties and to assist with school-wide PTA sponsored events as well.

The **PARTY PARENT** will work with the classroom teacher to plan the three class parties. The **PTA PARENT** will be the link between the PTA and the parents in that class. The **PTA PARENT** will attend the three *General Assemblies* and assist in securing volunteers for the PTA events. The **IB PARENT** will attend IB Foundation meetings and assist in the Annual Foundation Fundraiser

REMEMBER:

- ✓ Discuss all plans with teacher first.
